

SAFETY ADVENTURE EXPO

Baker River Valley Snowmobile Club

Join us January 22nd, 2022

For our first annual safety fundraiser event! This year, our trail administration team would like to cover the costs of an emergency rescue sled, which will serve our trail system as well as surrounding areas of Rumney, Piermont, and Warren. The nearest rescue sleds are located in the Holderness and Hebron areas 30-40 minutes away. The sled needed will be outfitted for both winter and summer applications, serving the emergency needs of snowmobiles, cross-country skiers, ATVs, mountain bikes, etc.

Safety doesn't have to be boring! We're making it an adventure!
